Alumni Feedback Analysis Report 2021-2022

The contribution of alumni to the activities of the Institute is substantial especially in the development of the curriculum. The feedback from the alumni reveals that 100% of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni (86%) rated the developmental activities rendered by the Institution for their overall development as highly efficient. It was reported by the 100% of the respondents that they feel that adequate knowledge was gained during their course of study and 97% believe that the knowledge gained in the institution is relevant to the current jobs they are holding. Of the student teacher relationship, 86% of them rated that as highly efficient. While expressing their view on the career guidance and counseling as well as placement cell, 100% of them agreed that ample on campus and off campus opportunities were provided.

Feedback analysis Report

- The alumni feedback analysis report reveals that majority (100%) of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- All of them were highly satisfied to the point that they receive regular updates via SMS/whatsapp/ mails/ calls/ Facebook etc.
- The alumni appreciated the academic initiatives taken by the Institute to restructure and update the curriculum as per the current needs.

Alumni Feedback Analysis Report 2020-2021

The contribution of alumni to the activities of the Institute is substantial especially in the development of the curriculum. The feedback from the alumni reveals that 100% of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni (75%) rated the developmental activities rendered by the Institution for their overall development as highly efficient. It was reported by the 100% of the respondents that they feel that adequate knowledge was gained during their course of study and 95% believe that the knowledge gained in the institution is relevant to the current jobs they are holding. Of the student teacher relationship, 75% of them rated that as highly efficient. While expressing their view on the career guidance and counseling as well as placement cell, 100% of them agreed that ample on campus and off campus opportunities were provided.

Feedback analysis Report

- The alumni feedback analysis report reveals that majority (100%) of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- All of them were highly satisfied to the point that they receive regular updates via SMS/whatsapp/ mails/ calls/ Facebook etc.
- The alumni appreciated the academic initiatives taken by the Institute to restructure and update the curriculum as per the current needs.

Alumni Feedback Analysis Report 2019-2020

The contribution of alumni to the activities of the Institute is substantial especially in the development of the curriculum. The feedback from the alumni reveals that 100% of them feel proud to be a part of the institution and are willing to contribute to the development of the institution. Majority of alumni (71%) rated the developmental activities rendered by the Institution for their overall development as highly efficient. It was reported by the 100% of the respondents that they feel that adequate knowledge was gained during their course of study and 96% believe that the knowledge gained in the institution is relevant to the current jobs they are holding. Of the student teacher relationship, 71% of them rated that as highly efficient. While expressing their view on the career guidance and counseling as well as placement cell, 100% of them agreed that ample on campus and off campus opportunities were provided.

Feedback analysis Report

- The alumni feedback analysis report reveals that majority (100%) of the alumni are happy and proud to be a part of this institution and they agreed that they would recommend their friends and relatives to enroll in this institution.
- All of them were highly satisfied to the point that they receive regular updates via SMS/whatsapp/ mails/ calls/ Facebook etc.
- The alumni appreciated the academic initiatives taken by the Institute to restructure and update the curriculum as per the current needs.

Summary of Alumni feedback form on Curriculum: 2019-2020

SN	Statement	Excellent	Very good	Good	Average	Poor
1.	Rate the adequateness of the courses offered in the program	71.2%	15.7%	13.1%	-	-
2.	Rate the sufficiency of syllabus content to bridge the gap between academia and industry	51.5%	34.5%	-	14%	-
3.	Rate the curriculum in relation to your current professional standards	51%	28.3%	20.7%	-	-
4.	Rate the skills acquired from the curriculum to face the industry challenges/ requirements.	45.4%	20.2%	20.2%	14.2%	-
5.	Rate the institute's laboratory and equipment adequateness for practical exposure	60%	33%	7%	-	-
6.	Rate the design of the courses in terms of extra learning or self-learning	63.5%	22.5%	14%	-	-
7.	How do you rate the outcomes the students have achieved from the course?	51.5%	29.2%	19.3%	-	-
8.	Rate the competence and support offered by the teachers.	62.8%	30.4%	5.8%	-	-
9.	Rate the institute's support and contribution for the Overall development of students	66%	34%	-	-	-
10.	How do you rate the transparency of the evaluation system in the department?	71%	15%	14%		
11.	Which subjects in your first year program curriculum were relevant to your current domain?	Basics of Mechanical engineering, Physics, Chemistry, Mathematics, C programming for problem solving, Basic electronics, Basic electrical engineering.				
12.	Which areas do you think could have been incorporated in the course curriculum in order to meet your current Industry/Research requirement?	Spoken English, Foundry, Microprocessors, microcontroller, I.C Engines. Provide training with respect to recent technologies, Business etiquette, real-time corporate engagement, and Data science.				
13.	What should have been incorporated in the program curriculum to make you function effectively as an individual and as a member in diverse teams? * (Such as Soft skills, awareness on higher studies and competitive exams etc.)	Soft skills, NCC programs should be inculcated along, Personality Development, Group Discussions, student exchanges, Social Interaction, Team Management, Time Management.				

PRINCIPAL

SEA College of Engineering & Technology
Ektanagar, Basavanapura, Virgonagar Post
BANGALORE - 560 049

14.	What should have been incorporated in the program curriculum to make you industry ready? * (Ex. Team activities, knowledge on professional ethics, exposure to interdisciplinary fields etc.)	More Team Activities, Team management, vocabulary, Professional ethics, career advancement options, and guidance on roles offer by companies to fresher.
15.	Comments/Suggestions if any:	More of students interaction program

Action Taken:

Based on the feedback, Soft skills and smart classes for aptitude and production and designing skills (Catia, Hyper mesh & HVAC) have been initiated from first year onwards to provide students better exposure and to equip them with necessary skills.
