ABOUT S.E.A.C.E.T.

        S.E.A College of Engineering and Technology (SEACET) is established by our Founder Chairman Sri A.Krishnappaji in the year 2007 under SEAET, offering world-class infrastructure and teaching facilities to uphold the traditional Indian values. The thrust here is to blend thoroughly the modern and the traditional education. An effort is made in the institution not only to raise the self-esteem of the student but to train him to respect others also.

Initially, it started functioning with Computer Science and Engineering, Electronics and Communication Engineering, Information Science and Engineering and Mechanical Engineering branches, offering 4 years duration Degree Programme in Engineering. Two years duration Masters Programme in Master of Business Administration (MBA) was added in the year 2008-09 where as a 4 year duration degree programme in Civil Engineering was introduced in the year 2009-10. Later on the branches like IOT,AIML ,Agricultural Engineering and Artificial Intelligence and data structure are also added .The Institution, approved by the Government of Karnataka ,All India Council of Technical Education, New Delhi is presently affiliated to the Visvesvaraya Technological University (VTU), Belagavi, Karnataka. The Institution is certified with ISO standards and acreditated with NAAC B++.

ABOUT our founder Shri;A.Krishnappaji

Shri;A.Krishnappaji

Our honourable Shri. shri;A.Krishnappaji the founder of S.E.A. group of institutions was a dynamic personality.He was born on 10th April in the year 1945 at Devasandra,K.R.Puram ,Bengaluru. He completed his education here only.He started his professional life in 1965 in public sector I.T.I factory.He married Mrs.Manjula who has been always great support to him since 1975.He stepped into the field of politics in the year 1985 from Varthuru constituency and ever since achieved many goals. He served as M.L.A, Minister in GOK, KPCC JointSecretary,Secretary,coordinator and then also served as state president of JDS.

Shri.A. Krishnappaji earlier established The BharathiVidyaniketana at Devsandra under which school,PU and Degree college were introduced.

As days went by, his dream and vision lead him to start the S.E.A. Group of institutions in the year 2001 and now we can see this institution spreading his vision far and wide from LKG to PhD in the form of state and ICSE schools,Integrated PU, ITI, Degree, Nursing, Engineering colleges.

He received "Priyadarshini Award" in 2000, "JawaharalalNeharu award" in 2003, "Rajiv Gandhi Excellency Award" from the global economic progress and research in 2012 and also "Mahatma Gandhi" gold medal for his remarkable achievements for serving the society.

MESSAGES :

	"Work is Worship" Success is not a one-shot process. It is the result of a continuous improvement after each failure. The fear of failure needs to be captured in order for a person to learn from his failure too. It is an invaluable opportunity to rectify errors and move forward. Failure in working for a good cause is better than success in working for a wrong cause. **-------Mrs. ManjulaKrishnappa, Chairman,S.E.A.E.T**
	"Education is the most powerful weapon which you can use to change the world" In the course of last 16 years, many technical & management institutes have sprung up all over the country. Graduates passing out every year are highly optimistic that technical courses ensure a rewarding career. We at S.E.A. C.E.T sincerely believe in multi dimensional growth of the students to compete with the word for success. **---Shri.D.T.Shrinivasa, Hon'able Secretary, S.E.A.E.T**
	This new generation is an interesting one. Most of them were born into a world where technology has always been at the forefront. S.E.A. C.E.T has been helping students write their own stories since its inception. Committed to providing the best jobs by creating life-changing educational opportunities and collaborative learning environments to stay at forefront of innovation in higher education, providing the tools our students need to make them industry ready from day one and make an impact in the world. **---Mrs.K. PoornimaShrinivasa ,Ex.MLA,CEO- S.E.A.E.T**
	We at S.E.A. C.E.T sincerely believe in transforming lives of young budding students into socially responsible successful professionals. Proactive scanning of the recent development in technology space, early identification of upcoming needs of the industries, aligning with right partners across the globe, continuous Up Graduation of our infrastructure, facilities, faculty, curriculum, and meticulous execution of teaching and learning process are the hallmark of our value chain to deliver "industry-ready professionals". **----- Mrs. K. Anupama, Joint Secretary, S.E.A.E.T**

Dept of Basic Science
REPORTS ON INDUCTION PROGRAM FOR FIRST YEAR STUDENTS
Induction Program 17/09/2024

Session-1   11:15 AM - 12:45 pm

Registrationof Student Details

This was an introduction session to the newly joined students regarding the registration process to complete the form then all students were given their self-introduction about themselves. Physics dept HOD Dr.Naveen kumar discussed regarding Induction program schedules along with the dates. Introduced all the faculties of Basic Science Department.

Session-2- 11:15 AM -12:45 pm

Pooja Program

In Digital Academy by Capgemini Lab, we have conducted a pooja program for the first year students at 11:15am to 12:45pm. For this event SEACET PrincipalDr.B. Venkata Narayana, Director Dr. Bhagavant K Deshpande, all the HOD's,All Faculties were attended along with the students.

Induction Program -18/09/2024

Session 1- 9.30 AM -11 AM

Addressing First-Year students by Director

SEACET Director Dr. Bhagavant K Deshpande insightful and motivational addressto the newly admitted first-year B.E students on 18/9/2024. The event was organized to formally welcome the students and provide them with guidance for their upcoming academic journey. He congratulated the students for their dedication to securing admission to the prestigious institute. The director sir outlined the importance of maintaining a balance between studies and personal growth. And Every student should go throw the college website, as well as should keep eye on the notice board every day, should download the syllabus from VTU Website, also spoke about the importance of extracurricular activities and introduced the SEACET Clubs like Sports club, Dance club, Music club, Robotics club Entrepreneurship club Art's Club etc.,

Session-2

Orientation by Placement Director

The Placement Director of SEACET Dr. Chidananda Prasad Delivered a strategic address to the first - year B.E students on 18-9-2024 by 11:15 to 12:45. Sir began by warmly welcoming the students to the Institution. He stressed that while the first year may seem early to think about placements, it is essential to start planning and preparing from day one. He assured the students that they are in a supportive environment, with the placement cell ready to guide them toward future success. He explained that employers value soft skill such as effective communication, teamwork, leadership and time management. He encouraged students to actively participate in workshops, seminars, internships, and hackathons to enhance these skills.

Session-3

Address by First year Coordinator

The first-year coordinator Dr. Naveen Kumar A began with the welcoming the students to the Institution. Firstly sir had been explained the courses offered in S.E.A Education Trust, College Timings, Vision Mission of the Basic Science, B.E Streams, Branches in B.E, Physic Cycle/Chemistry Cycle Subjects and Subject codes.

Induction Program- 19/09/2024
Session-1
Seminar on Cyber Security

A seminar on "cyber Security'' was organized for the first-year B.E students of S.E.A college of Engineering and Technology on 19-9-2024 by 9:30am to 11:00am by Mr. Pragadeesh Gurumurthy. The objective of the seminar was to introduce students to the growing importance of cybersecurity in today's digital world and to raise awareness about the threats and challenges posed by cybercrime. He shared his insights on how students to can protect themselves and contribute to building secure digital environments.

Induction Program- 19/09/2024
Session-2
Seminar on Health

A Health seminar was conducted as a part of Induction program for the first-year B.E students of S.E.A college of Engineering and Technology on 20-9-2024 by 11:15am to 12:45pm by Dr. Hemam Sangeetha. The seminar aimed to promote the importance of maintaining good physical and mental health and briefly highlighted their significant contributions to the field of health and wellness. She has covered several important health topics: Balanced Diet and Nutrition Exercise and Fitness, Mental Health Awareness, Sleep and Recovery, Preventive Health care. She reminded the audience that health is a lifelong commitment and that small steps taken today can lead to long-term benefits.

Induction Program- 20/09/2024
Session-1
UHV - Universal Human Values

On dated 20thSeptember 2024, Seminar on "Universal Human Values" was conducted. It was based on the study of present scenario of Value Education, various outcomes of Value Education and its importance to the students and our society. For this event the Resource Person was Dr. Anil Kumar HOD of MBA Dept SEACET. The Seminar was started by 09:30am and continued till 11:00am on 20-9-2024. In this session given Introduction about UHV, Various application areas of UHV, Societal benefits of Human Values were discussed by Resource Person Dr. Anil Kumar. In this Seminar more than 100 students were participated. It was a very successful Seminar appreciated by the students. The students got various inputs regarding Universal Human Values.

Session-3
Personality Development program

A comprehensive personality Development Program was organized on 20/9/2024 at S.E.A college of Engineering and Technology aimed at enhancing the personal and professional growth of students. The program was conducted by Dr. Pratima sing a well known personality development coach and motivational speaker, who focused on helping students build essential life skills, boost self-confidence, and develop effective communication abilities. The event was well- attended by students by various branches of B.E eager to improve their soft skills and prepare for future challenges. She has conducted the session with activities to build the self confidence, Effective communication skills, Leadership and Teamwork, Time management and goal setting, Emotional Intelligence and stress management, all the students were enjoyed the session with activities.

Induction Program- 21/9/2024

Session – 1 Yoga

The Yoga session was conducted for the students to improve the physical, mental, and emotional well-being. Yoga helps in enhancing flexibility, concentration, and stress management, which are crucial for students in their academics and personal lives.

The objectives are:

1. To promote physical fitness and flexibility.

2. To improve mental focus and reduce academic stress.

3. To foster emotional balance and self-awareness.

InductionProgram-24/09/2024
Session-1
Address by Principal (V.T.U Rules and Regulation)

On 24-9-2024 the Principal of S.E.A College of Engineering and Technology Addressed the students, regarding the rules and regulations of both the college and Vishweshwaraya Technological University(VTU). The Objective of the session was to reinforce the standards of discipline, academic integrity, and the overall expectations from the students during their course of study. Attendance Policy, Dress code Use of Mobile Phones, Examination Guidelines, Library and Research Regulations about these Principal sir has given the instructions. The Principal also remained students that the regulations are in place for their academic growth, safety, and future career prospects, and compliance is expected at all times.

InductionProgram- 24/09/2024

Session-2

LibraryOrientation Program

On 24-9-2024, the library of S.E.A College of Engineering and Technology Organized an Orientation program for the first-year engineering students. The Library In charger Mr. Raju sir given introduction about library and the objective of the program was to introduce the students to the library's resources, services and policies, and to ensure they fully utilize the available academic support during their engineering studies. Library Layout and Sections: Book Collections, Reference Section, Periodical Section, Digital Library, Membership and Borrowing Procedures: Borrowing Limit, Renewal and Returns, Overdue Fines, Online Resources and Databases, Library Rules and Policies: Silence in the Library, Handling of Library Materials, Mobile phone use. The librarian urged the students to become regular users of the library and stressed that it would play a crucial role in their academic journey.
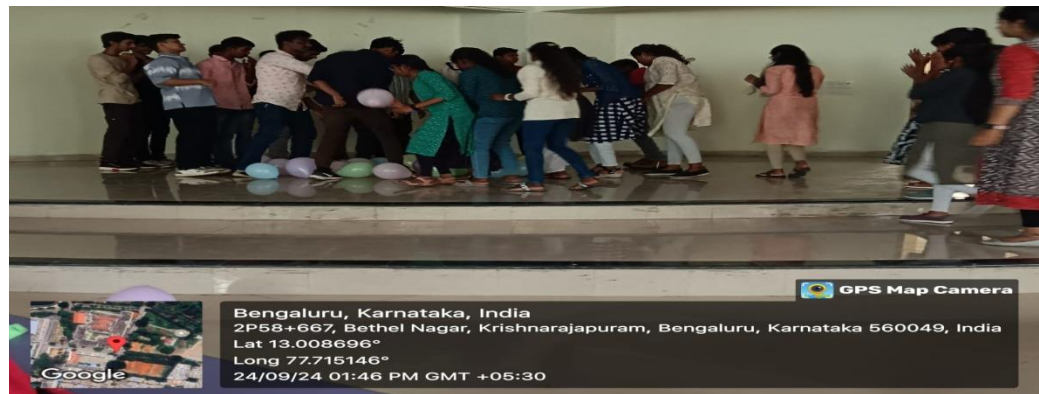

InductionProgram- 24/09/2024
Session-3
Skill Development Program

On 24-9-2024, a skill development program was conducted for newly admitted engineering students of the program aimed to equip first year students of S.E.A College of Engineering and Technology. The resource person Kamal Chandiramani handled this session. The objectives of this program Develop Communication and soft skill, encourage problem-solving and Innovation, personal and professional growth, balancing academic workload and sir had been done some activities to increased Confidence among students, through these activities students were involved and participated actively.

InductionProgram- 25/09/2024

Cultural

The Cultural programs for first-year students organized on 25-9-2024 the programs such as Dance, Music, Singing, Fashion show, all students were participated with enthusiastic. cultural are designed to create a welcoming environment, foster a sense of community, and encourage creative expression. These programs play a vital role in helping students transition smoothly into college life by offering them opportunities to engage with peers, exploretheir talents and celebrate cultural diversity. Cultural activities also provide a platform for students to develop soft skills like communication, teamwork, leadership, and time management.

InductionProgram- 26/09/2024 - 27/9/2024

Sports

As part of the holistic development of first-year students, a series of sports events were organized to promote physical fitness, team work and a healthy competitivespirit. The sports program aimed to provide a platform for students to showcase their athletic abilities engage in recreational activities among peers. The events conducted included short put, discus throw, Running race Cricket Kabaddi, Throw ball, and volleyball. These activities not only helped the students to relax and also enjoy their time outside of academics but also contributed to their physical well-being.

InductionProgram- 28/09/2024

Session-1

Industrial Visit

On 28/09/2024 the students of S.E.A College Visited the Isha Foundation at Chikkaballapur as a part of Induction program organized by Basic science Dept. The visit aimed to provide students with insights into the foundation's work on yoga, meditation environmental sustainability and holistic development it was a valuable opportunity for students to understand the practical application of spiritual and environmental initiatives in a professional and community-oriented setting.

FACULTY ACHIEVEMNTS

Details of Training /FDP /Project Exhibition attended by faculty during the month of OCTOBER 2024

S.No	Faculty Name	Type of Programme (Workshop/FDP/ Seminar/Webinar/Conference)
1.	N Gayathri	Attended Online FDP on **"Data Analytics and Visualization with Power BI and Tableau"** from 9th-13th September 2024 Organized by Department of Information Science & Engineering , CMR Institute of Technology, Bangalore-560037.
2.	Sumitha Udaikumar	Attended Online FDP on **"Data Analytics and Visualization with Power BI and Tableau"** from 9th-13th September 2024 Organized by Department of Information Science & Engineering , CMR Institute of Technology, Bangalore-560037.
3.	D Aruna	Participated in 1-day Workshop on "**The Cloud Era of Azure**" organized by School of Computer Science and Engineering (SCOPE), Vellore Institute of Technology, Vellore on21-09-2024.
4.	Sangeetha K R	Presented a Conference Paper entitled "**Disease-Free Survival Prediction in Recurrent Cervical Cancer using Naïve Bayes Machine Learning Algorithm**" in 5th International Conference on Smart Electronics and Communication (ICOSEC 2024) organized by Kongunadu College of Engineering and Technology Trichy, Tamilnadu, India. IEEE Conference ID: 61587 Completed 5-day FDP on "**Building Web development solution with Cloud Computing**" under the Next Gen Employability Program from 02-09-2024 to 06-09-2024 organized by Edunet Foundation. Participated in 1-day Workshop on "**The Cloud Era of Azure**" organized by School of Computer Science and Engineering (SCOPE), Vellore Institute of Technology, Vellore on21-09-2024. Participated in 1-week International FDP on "**Recent Research Trends in Computer Science and Information Technology**" organized by Department of CSE, SSET, Sharda University, Greater Noida, India conducted from 23rd to 27th September 2024
5.	Pagadala Srilakshmi	Attended Online FDP on **"Data Analytics and Visualization with Power BI and Tableau"** from 9th-13th September 2024 Organized by Department of Information Science & Engineering , CMR Institute of Technology, Bangalore-560037.

6.	Dhivya G	Participated in 1-day Workshop on "**The Cloud Era of Azure**" organized by School of Computer Science and Engineering (SCOPE), Vellore Institute of Technology, Vellore on21-09-2024.
7.	AnuPriya G S	Participated in 1-day Workshop on "**The Cloud Era of Azure**" organized by School of Computer Science and Engineering (SCOPE), Vellore Institute of Technology, Vellore on21-09-2024.
