OBJECTIVES OF THE PROGRAM

- The objective of women empowerment is to create an environment where women are able to fully participate and thrive in all aspects of life, including social, economic, political, and cultural spheres.
- It aims to eliminate gender discrimination, ensure equal opportunities, and promote women's rights and freedoms.
- women empowerment seeks to challenge and change the societal norms, practices, and systems that limit women's potential and hinder their overall well-being.
- By empowering women, we can create a more inclusive, equitable, and prosperous society for everyone.

OUTCOMES OF THE PROGRAM

- Raising self-esteem and self-confidence of girl students.
- Elimination of discrimination and all forms of violence against women and girls.
- Strive to reduce gender disparities and promote equal opportunities for all. .
- Enhancing women's economic independence.
- Better equipped to make informed decisions regarding their own health and the health of their families
